

Pawzyme Pet Care

Item / Description	Description	Others
Enzyme Shampoo	<ul style="list-style-type: none"> - All Breeds & All Skin Types (Dog / Cat) - Soft & Smooth Fur - Mild & Moisturising - Reduces Odor - pH Adjusted & Paraben Free 	<ul style="list-style-type: none"> - No SLS (Sodium Laureth Sulphate is an inexpensive & very effective foaming agent. But, it might cause skin irritation or skin cancer on human & animals).
Enzyme Spray with Essential Oil	<ul style="list-style-type: none"> - All Breeds & All Skin Types (Dog) - Antibacterial & Antiodor - Repel Insects (Eg: Fleas, Ticks, Mosquitoes) - pH Adjusted & Paraben Free - Environmental Friendly 	<ul style="list-style-type: none"> - Can be sprayed directly on dog's skin. - Soothe mild skin irritation (Eg: redness, itchiness, insect/flea/tick bite) - Suitable for "dry-clean" → Eg: dog that cannot bathe after operation (surgery)/injection → can spray on dog's coat (fur) generously & then use a dry towel to wipe off → this can remove any odor & dirt. - Can be used as dog's fragrance spray because of the natural smell of essential oil. - Can be used to spray at dog's area to freshen/improve the air quality. - Can be used to spray on pet's bedding/cage. - Can be used to clean pet's combs/nail clipper.
Ear Cleaner with Tea Tree Oil	<ul style="list-style-type: none"> - All Breeds & All Skin Types (Dog / Cat) - Remove Debris - Prevent Buildup of Bacterial, Fungus & Yeast - Effectively Control Odor - pH Adjusted & Paraben Free 	<ul style="list-style-type: none"> - If the dog ear is very dirty, drip 1-2 drops into ear & massage base ear → let the dog shakes its head for few times, then those wax will come off to the surface & use cotton to wipe off. - If the dog ear isn't very dirty, just drip on cotton & wipe the ears.
Silky Soft Leave-On Conditioner	<ul style="list-style-type: none"> - All Breeds & All Skin Types (Dog) - Tangle-Free & Soft Fur - Condition Fur & Reduce Odor - Non-Oily & Non-Sticky Formula - pH Adjusted & Paraben Free 	<ul style="list-style-type: none"> - Do not spray directly on dog's coat (fur). - Spray on hand first, and then only apply on dog's fur. - Can be applied after towel-dried or after blow-dry the fur. - This is Leave-On Conditioner. So, do not need to rinse off. - For a dog, just 1-2 spray is enough; too much will be too moisturising.
Enzyme Floor Cleaner with Lavender Oil	<ul style="list-style-type: none"> - Safe to Use Around Human & Pet Areas - Removes Dirt, Cleans & Disinfects - Non-Toxic & Non-Corrosive - Natural Enzyme & Essential Oil - Environmental Friendly & Biodegradable 	<ul style="list-style-type: none"> - Can be used to wash stubborn stains → wet the surface, pour undiluted cleaner on the stain and leave it for about 10 minutes → scrub & wash with water until clean. - For floor mopping, just 1 cap into half pail of water and mop as usual. Do not need to rinse off. - The floor will not be sticky & this formula doesn't contain fragrance. Only has natural smell from the natural lavender oil.
